

Making Recycled Paper Seed Balls & Shapes

You can pre-shred and soak your paper to give it more time, or join me from the beginning!

Supplies

- Scrap or recycled paper
- Scissors or paper shredder
- Water
- Bucket or bin to soak paper in
- Blender or food processor (not necessary, but very helpful)
- Seeds (preferably native or local)
- Colander or strainer
- Drying rack or tray

Please ask an adult for help before using scissors, a paper shredder, blender or food processor.
